## *Erotic stained glass playing cards*

“Play with me” is a stained-glass project that includes kings, queens, jacks and aces in the four suites, a joker as well as two panels representing the reverse side of the cards. Each stained-glass panel measures 47 cm x 72.5 cm and the entire project totals 6.5 m<sup>2</sup>. Each glass panel is displayed on a light-box. This limited-edition deck of cards acts as the catalogue for this exhibition. We’ve added the non-picture cards and invite you to rip off the jacket and play with me.

Diego Tolomelli is an Italian stained-glass artist whose work on erotic stained-glass began drawing critical attention back in 2007. As well as creating erotic stained-glass works of art, Diego Tolomelli also owns and operates IKOSTUDIO.
