

Little Tractor lives on Big Oak Farm.
Lili the trailer is his best friend. He has many
animal friends, too: Laura the duck, Leo the
pig, Jules the dog, Annette the chicken,
Anton the horse . . . And of course,
there's also Daddy Tractor.

Today, Little Tractor goes to the big forest with his daddy.
Daddy Tractor is hauling huge tree trunks.
Occasionally, his wheels get stuck in the mud.
Wow, thinks Little Tractor. *Daddy's work isn't easy!*
