

Little Tractor lives on Big Oak Farm.
Lili the trailer is his best friend.
He has many animal friends, too:
Laura the duck, Leo the pig, Jules the dog,
Annette the chicken, and Anton the horse.
“Look!” Little Tractor says one morning.
“The swallows are back! Spring is coming.”
Little Tractor is happy.
Spring is his favorite season.

Little Tractor is surprised to see a pair of swallows building a nest in his barn.

“Hello, I’m Little Tractor. What are your names?”

But the swallows are too focused on their nest to answer.

They’re not very friendly. And they didn’t even ask before moving into my barn, thinks Little Tractor.
